○ Voting Membership

This classification is for creative and technical professionals who qualify in at least one of the categories of eligibility.

To qualify for Voting Membership, individual credits (singles, tracks or album) must be in Spanish or Portuguese; album credits require that 51% of the album is in Spanish or Portuguese.

*To qualify for Voting Membership, in **Categories 1—7 and 9**, you must have at least six commercially released recordings (singles, tracks or the album equivalent) for each category. For **Categories 8a and 8b**, you must have at least six album credits (includes CDs, albums, videos).

For **Categories 10a—10c**, you must have been featured in at least six commercially or promotionally released video selections. You may combine music video performances listed here with those listed under **Category 1** to achieve the required minimum, provided that each is a different performance.

For **Categories 10d and 10e**, you must have directed or produced a minimum of six commercially or promotionally released videos or their equivalent. You may combine with **Category 3** to achieve the required minimum.

For **Category 10f**, you must have at least six video credits.

Proof of creative or technical participation for each entry must accompany this application. Photocopies of album jackets, liner notes or j-cards are acceptable. All recordings must be commercially released in North America, Central America, South America, the Caribbean nations, Spain or Portugal.

Digital Distribution: 12 qualified tracks or 2 complete CDs which are available for sale to the public in a recognized online retail environment. Website promoting applicant as an artist. A personal website does not qualify as a distribution channel.

Proof of distribution may be requested to confirm product release. Failure to submit all requested information will delay application processing. Please include all necessary documentation.

Please note, if you are applying for more than one category, please provide documentation for each additional category.
