

THE RECORDING ACADEMY® SAN FRANCISCO CHAPTER
IN ASSOCIATION WITH THE PRODUCERS & ENGINEERS WING
AND JBL PROFESSIONAL PRESENT

5.1 SURROUND SOUND EXPERIENCE

Monday, December 10th, 6:30-9:30 p.m.

Come visit the new Bay Area Sound Studios for cocktails, hors d'oeuvres, and a discussion and listening session with artist/producer **Jerry Harrison** & engineer **Eric "ET" Thorngren** (*Kenny Wayne Shepherd, Talking Heads, O.A.R.*)

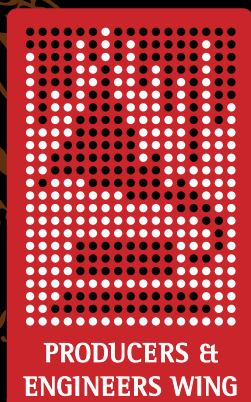

Discussion will be moderated by **Joel Jaffe** (*Santana, David Gray, Wayne Shorter*).

Enjoy demonstrations of both stereo and surround music on JBL's LSR Linear Spatial Reference studio monitors with Room Mode Correction that help turn any room into an accurate mixing environment.

No admission fee. Space is limited and RSVP is required.
This invitation is nontransferable.

RSVP to sanfrancisco@grammy.com or call 415.749.0779 by December 6.
